

**Math is a subject where: “if you don’t use it--- you lose it”!**

The following practice is to be done on a computer, using the internet. If you do not have home access to the internet you may need to go to your local library. The sheet must be signed by the student and the parent/guardian and returned to the math teacher on the **first day of class**. This is review from 6<sup>th</sup> grade. This signed and completed sheet is the first homework grade. There will also be quiz and a test from this material.

We will use the website: [www.aaamath.com](http://www.aaamath.com)---you must complete “practice” section (go to the bottom of the screen) at least 1 min, for at least 5 times. Copy your correct, incorrect, percent and time of LAST attempt.
