

Welcome To Aquinas

Being prepared and staying organized are essential to becoming successful in school. At Junior High Orientation this summer, we will give you a planner in which to write assignments. Listed below are materials required for the subjects you will be taking. In an effort to help students with organization, we are asking that you purchase spiral notebooks and folders in particular colors for each subject.

Some students use a plastic portfolio rather than several folders. This is also useful for loose items such as pencils and calculators. **NOTE: Materials must be brought to class each day.**
